

## AQ-AD-12.09

The Art Deco towel ring combines a classic ring with the elegantly curved steps of the rectangular backplate. It is supported by a ball-end post. As with all of our hardware, the ring is manufactured of solid brass, making it exceptionally strong. A comprehensive suite of aesthetically-related bath hardware is also available, including robe hooks, toilet paper dispensers and glass towel rods. It is produced in twelve Nanz plated and patinated [finishes](#).
