

## AQ-BH-2.2-1112

The Nanz Bauhaus collection, based on designs by Walter Gropius from the 1920s, embodies the School's belief in simple geometric forms as the basis of good design. With coordinating bath, shower, basin fittings and accessories, The collection can be coordinated throughout a project. Our tub sets may be customized by choosing from our varied range of handles, spouts, bells, bonnets and rod finials. Matching bath and shower fittings are offered, as are coordinating bath accessories and cabinetry. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
