Combining the neoclassical lexicon of the octagon and the ogival curve, the NANZAQUATIC Octavio collection is a popular choice for both traditional and transitional interiors. The NANZAQUATIC Volumetric/ Diverter Shower control is manufactured in solid brass and features Fluehs technology. The control works with 1/2" or 3/4" NANZAQUATIC volume control valves, 2-way and 3-way diverter valves, with or without shared ports. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
