

## EC-2017

The EC-2017 lever, companion to the EC-1017 knob, blends the nascent functionalism of the early 20th century with a classical elegance. The handle tapers outwards, ending in a slight dome with a clean edge. The streamlined shank flares out to neatly join the raised center of the rounded edge rose with exposed fasteners. Length 4-1/4", projection 2-3/4", rose diameter 2". See all available finishes [here](#).

Length: 4-1/4"  
 Projection: 2-3/4"  
 Rose Diameter: 2"
