

Nº 3001F

The parabolic profile of the No 3001F faceted olive knuckle cabinet hinge presents a handsome decorative element when an alternative to butt hinges is required. The hinge is suitable for contemporary as well as traditional interiors. The hinge is handed; a right-hand hinge is shown. A version without faceting is also available. Straight, roped, beaded, knurled, octagonal, and faceted bushings can be substituted for the plain version shown. All Nanz plated and patinated [finishes](#) are available.
