

N° 5445

The N° 5445 rosette reflects stepped motifs characteristic of American architecture of the 1930s and later. Although it is appropriate for Art Deco and modern decors, this rosette, as designed, can accompany a vast selection of knobs and some levers. It can be manufactured to be used with any handle if required. It is available in all Nanz plated and patinated [finishes](#).

Height: 1-3/4" 2" 3"

Width: 1-3/4" 2" 3"
