

N° 6003

The No 6003 faceted recessed pull is designed to operate pocket doors. Though modern in its streamlined simplicity, the pull is reminiscent of austere geometry of the 18th-century French architect Ledoux. The slightly curving lines of the faceted planes create a purely modern feel. It is available as photographed or with a keyhole cutout or thumbturn depending on the intended application. All Nanz plated and patinated [finishes](#) are available.

Height: 5"
Width: 2"
Projection: 1/4"
Depth: 1/2"
Collection: Prismatic
