

N° 6941

Thru-door pulls are flush on three sides, and accordingly low-profile. The No 6941 pull may be used on passage pocket doors. While initially specified for modernist interiors, designers have recently embraced thru-door pulls for traditional and transitional interiors. Shown in Polished Nickel and RAL 6001, the 6941 is also available in all plated and patinated finishes. Modifiable as necessary to accommodate 2-1/4" doors or alternate style and rail configurations.

Height: 14"

Width: 3-5/8"

Door Thickness: 1-3/4"
