Studio Shamshiri and NANZ developed the varied handles through drawings, models, prototypes and a thoughtful manipulation of good ideas. The LA Collection draws from the diverse textures of California's urban and coastal environments. Exploring the interplay of materials, we believe the hardware evokes the city's natural beauty. The N° 8780 ABW Cube African Blackwood Cabinet Knob may be specified for cabinet doors, drawers and furniture. All Nanz plated and patinated [finishes](#) are available.
