

N° 8784

Studio Shamshiri and NANZ developed the varied handles through drawings, models, prototypes and a thoughtful manipulation of good ideas. The LA Collection draws from the diverse textures of California's urban and coastal environments. Exploring the interplay of materials, we believe the hardware evokes the city's natural beauty. The N° 8784 Sphere Cabinet Knob may be specified for cabinet doors, drawers and furniture. All Nanz plated and patinated finishes are available. All Nanz plated and patinated [finishes](#) are available.
