

N° 6810

The modern No 6810 pull is inspired by Bauhaus elements. Its bold, cylindrical rod is clasped by two subtly flaring rectilinear posts. Pulls 18" and longer have a supporting center post. A smaller version, the [No 8810](#), is available in lengths suitable for cabinetry. All Nanz plated and patinated [finishes](#) are available.

Center-to-Center: 8" 10" 12" 18"

Projection: 2-1/4"

Diameter: 1"

Collection: Minimal
