

N° 8237

The minimal formalism of the No 8237 cabinet knob is broken by a simple band around its circumference and is crowned with an elegant combination of ogees and reveals ending with a single understated boss. The cabinetry knob is available in five sizes. Optional rosettes are available at an additional cost. It is often specified with the companion No 1237 knob, which is manufactured in a variety of sizes for full-sized doors. All Nanz plated and patinated [finishes](#) are available.
