

N° 8484

The No 8484 knob is based on a 19th century English design. It achieves a rhythmical pattern by the repetition of simple ribs progressing in from the circumference of the face. These ribs terminate in the center of the face with a similar shaped boss. All Nanz plated and patinated [finishes](#) are available.

Diameter: 1-3/4"

Projection: 1-1/4"
