Atlantic Wall Mount Basin Set
AQ-AT-2.2-2004

The Atlantic wall mount 3-hole basin set is a transitional masterpiece and engineering feat providing for extremely low profile bells and organic forms. The faucet is constructed of solid brass, uses 1/4-turn ceramic disc cartridges, and features a curved spout with water conserving aerator. The collection pairs seamlessly with the No. 2004 door lever and coordinated cabinet accessories. A comprehensive suite of aesthetically related bath accessories is also available, including toilet paper holders, robe hooks, shower door pulls, and toilet trip levers. It is produced in six Nanz decorative finishes.
